**PREFACE FROM
DATO' DR. AMMAR BIN ABD. GHAPAR
DIRECTOR GENERAL TOURISM MALAYSIA**

Greetings from Tourism Malaysia!

We are proud to showcase the King of Fruits to the world by offering tourism packages highlighting Durian in various destinations in Malaysia, such as Perlis, Kedah, Penang, Perak, Selangor, Pahang and Johor. The experience not only focuses on savouring the unique taste of Durian but also offers an abundance of activities to thrill you in adventure, gastronomy, exploring kampung life and many more.

We hope these offered experiences will open your eyes to the other side of Malaysia, which you have yet to discover. It is time to come out and expose yourself to a whole new sophistication.

See you!

Thank You

Overview Durian in Malaysia

Malaysia, the native home of durian, is renowned for its extensive variety of durian, with currently 226 registered varieties. Through meticulous selection and research, including advanced plant breeding techniques, Malaysia has developed exceptional durian varieties. Indulge in the diverse range of flavors available, including the highly acclaimed Musang King, Black Thorn, D168 (IOI), and the exceptional MDUR 88 variety developed by MARDI. Malaysia takes pride in exporting premium durians to China using cutting-edge cryopreservation technology. Experience the exquisite taste and quality of Malaysian durians, a true culinary delight.
